## HOW TO CITE RULES AND RSMO

### RULES

The rules are codified in the *Code of State Regulations* in this system–

Title		Division	Chapter	Rule
3	CSR	10-	4	.115
Department	<i>Code of State Regulations</i>	Agency Division	General area regulated	Specific area regulated

and should be cited in this manner: 3 CSR 10-4.115.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraphs 1., subparagraphs A., parts (I), subparts (a), items I. and subitems a.

The rule is properly cited by using the full citation, for example, 3 CSR 10-4.115 NOT Rule 10-4.115.

Citations of RSMo are to the *Missouri Revised Statutes* as of the date indicated.

### ***Code and Register on the Internet***

The *Code of State Regulations* and *Missouri Register* are available on the Internet.

The *Code* address is [sos.mo.gov/adrules/csr/csr](http://sos.mo.gov/adrules/csr/csr)

The *Register* address is [sos.mo.gov/adrules/moreg/moreg](http://sos.mo.gov/adrules/moreg/moreg)

These websites contain rulemakings and regulations as they appear in the *Code* and *Registers*.

**R**ules appearing under this heading are filed under the authority granted by section 536.025, RSMo. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety, or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the *Missouri* and the *United States Constitutions*; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons, and findings which support its conclusion that there is an immediate danger to the public health, safety, or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

**R**ules filed as emergency rules may be effective not less than ten (10) business days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the *Missouri Register* as soon as practicable.

**A**ll emergency rules must state the period during which they are in effect, and in no case can they be in effect more than one hundred eighty (180) calendar days or thirty (30) legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

**Title 20—DEPARTMENT OF COMMERCE AND  
INSURANCE  
Division 2110—Missouri Dental Board  
Chapter 2—General Rules**

**EMERGENCY AMENDMENT**

**20 CSR 2110-2.170 Fees.** The board is amending the subsection (1)(E).

**PURPOSE:** *This emergency amendment is establishing the renewal fee for dental faculty permits.*

**EMERGENCY STATEMENT:** *This emergency amendment is necessary to establish a renewal fee for dental faculty permits to allow them to renew beginning September 1, 2020.*

*House Bill 1268 created the dental faculty permit which enables accredited dental schools in Missouri to hire faculty and for that faculty to perform duties during the process of teaching which would otherwise constitute the practice of dentistry. Dental faculty permits expire on November 30th of every even year. This rule establishes the fee for renewing a dental faculty permit. Without establishing the fee to renew the permits, the board cannot renew a dental faculty permit as required by House Bill 1268.*

*As a result, the Missouri Dental Board finds that there is a compelling governmental interest that requires this emergency action. The scope of this emergency amendment is limited to the circum-*

*stances creating the emergency and complies with the protections extended in the Missouri and United States Constitutions. The Missouri Dental Board believes this emergency amendment is fair to all interested persons and parties under the circumstances. Emergency amendment filed July 29, 2020, becomes effective August 12, 2020, and expires February 25, 2021.*

## Executive Order 20-13

WHEREAS, Executive Order 18-12 was issued on December 18, 2018, establishing the Missouri 2020 Complete Count Committee and charging the Committee with heightening Missouri's participation in the 2020 Census and completing its work and final report by August 1, 2020; and

WHEREAS, in light of the COVID-19 outbreak, U.S. Census Bureau extended the deadline to respond to the 2020 Census from July 31 to October 31, 2020, to protect the health and safety of the public and its employees, and to ensure a complete and accurate count of all communities; and

WHEREAS, continuing the work of the Missouri 2020 Complete Count Committee through the entire 2020 Census response period is critical to this commitment.

NOW, THEREFORE, I, MICHAEL L. SECRETARY OF STATE

**U**nder this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

**E**ntirely new rules are printed without any special symbolology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

**A**n important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

**I**f an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

**A**n agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety- (90-) day-count necessary for the filing of the order of rulemaking.

**I**f an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

**Boldface text indicates new matter.**

*[Bracketed text indicates matter being deleted.]*

**ORDER OF RULEMAKING**

By the authority vested in the State Board of Education (board) under sections 161.092, 161.097, and 161.099, RSMo 2016, the board amends a rule as follows:

5 CSR 20-400.440 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on May 1, 2020 (45 MoReg 591-592). Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The board received two (2) comments from one (1) individual on the language of the rule, and five (5) comments from three (3) individuals on the incorporated by reference material of the proposed amendment.

COMMENTS #1 & #2: Verna Lowe of Western Governors University submitted two (2) recommendations for revisions to the rule. The first was a request that paragraph (3)(A)2. of the rule be amended to allow national accreditation (such as by the Council for the Accreditation of Educator Preparation) of educator preparation programs (EPPs) leading to alternative certification as a substitute for state approval requirements. The second was a request that the proposed paragraph

(3)(A)4. of the rule, which mandates EPPs' submission of curriculum matrices for approval by the Missouri Department of Elementary and Secondary Education (DESE), be eliminated. Dr. Lowe maintains that candidates' completion of an EPP's requirements, and the EPP's subsequent recommendation of candidates for certification, should serve as sufficient evidence of candidates' preparedness for their roles in PK-12 settings.

RESPONSE: This rule specifies what programs must do to be granted initial approval for the preparation of educators in the state of Missouri, as well as to maintain accreditation to prepare educators on an ongoing basis. DESE respectfully declines to make the suggested changes. No changes were made to the amendment in response to these comments.

COMMENT #3: Emily Brown of University of Missouri – St. Louis requested that the term “student teacher” be changed to “school counselor candidate” in the incorporated by reference material, Appendix A, page 7.

RESPONSE AND EXPLANATION OF CHANGE: DESE agrees with this request. The change was made to the incorporated by reference material as recommended.

COMMENTS #4 & #5: Colleen Hardy, College of the Ozarks and Suzanne Hull, Missouri Southern State University, each requested that the requirement by DESE that EPPs submit updated PK-12 partnership MOUs on an annual basis be suspended. Dr. Hardy recommended replacing the existing language with: “Updated agreements will be maintained by the EPP on an annual basis and made available to DESE upon request.” Dr. Hull referenced the existence of multi-year MOUs between EPPs and PK-12 partners, as well as MOUs with multiple partner districts and the perceived burden on EPPs created by submitting these MOUs.

RESPONSE AND EXPLANATION OF CHANGE: DESE appreciates this comment and its intent to reduce burdens on Educator Preparation Programs. However, collecting MOUs only in the event of a concern places an added responsibility for documentation collection on DESE, rather than ensuring that documentation is submitted by all EPPs and is therefore on hand for DESE to review at any point in the approval and accreditation process. Submission of MOUs by EPPs to DESE enables more direct oversight and provides DESE with documentation to be maintained as part of the overall approval and accreditation process. The incorporated by reference material, Standard 2, page 2, has been modified as a result of these comments to require that EPPs maintain and submit to DESE current MOUs, while allowing for multi-year MOUs to be updated only as needed.

COMMENT #6: Colleen Hardy, College of the Ozarks, expressed concern that the incorporated by reference materials describe expectations regarding admission policies of both EPPs and their institutions. Dr. Hardy made the case that the rule and accompanying materials are intended only for EPPs and do not apply to the institutions themselves. Dr. Hardy requested that the existing language be changed to, “fair and equitable admission policies and procedures for admission to the educator preparation program.”

RESPONSE AND EXPLANATION OF CHANGE: DESE agrees with this comment and has made the requested change to the incorporated by reference material, Standard 3, page 2.

COMMENT #7: Suzanne Hull of Missouri Southern State University requested that the requirement for supervisors of teacher candidates be changed to allow greater flexibility for scheduling, by changing the timeline of observations from “every three weeks” to “every three to four weeks.”

RESPONSE AND EXPLANATION OF CHANGE: DESE agrees that this change will allow supervisors of student teachers and interns greater flexibility in scheduling observations, while still allowing for multiple formative observations and evaluations of candidates as required. The requested change was made to the incorporated by reference material, Appendix A, pages 6 and 8.

**5 CSR 20-400.440 Procedures and Standards for Approval and Accreditation of Professional Education Programs in Missouri**

**ORDER OF RULEMAKING**

By the authority vested in the State Board of Education (board) under section 161.092, RSMo 2016, and section 304.060, RSMo Supp. 2019, the board amends a rule as follows:

**5 CSR 30-261.045 Pupil Transportation in Vehicles Other Than School Buses is amended.**

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on May 1, 2020 (45 MoReg 592). No changes have been made in the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The board received eighteen (18) comments on the proposed amendment.

COMMENTS #1-8: Tonya Hollaman, DS Bus Lines; Kyle Middleton, Morgan Co. R-II School District; Sarah Orf, Perry Co. 32 School District; Jason Key, Senath-Hornersville C-8 School

District; Sue Sharp, Dunklin R-V School District; DeWana Schneider, Frontier Schools; and Thomas Taylor, Miller R-II School District; and Don Brite, Fair Grove School District; all commented against the rule change because of “grave concerns” they have regarding the expansion of the use of any vehicle other than yellow school buses that are without safety features such as roll over protection, highly visible color, side impact protection, elevated seating position, overall size and rigid steel construction requirements, and the passive child safety system called compartmentalization that are required for school buses.

They also shared concerns that other vehicle’s drivers do not have the additional screening and training required for school bus drivers such as commercial driver’s licenses with school bus endorsement, medical examinations, annual training specific to children, and criminal history background checks.

In addition, these entities stated that the concerns associated with non-yellow school bus vehicles are that school districts choosing to use these vehicles would be placing child safety secondary thereby lowering the standard of care for students being transported by these vehicles with lower construction standards and less passive safety features that make the school bus the safest means of ground transportation.

RESPONSE: The department reviewed the comments and agrees with the commenters’ general statements concerning the safety of school buses. However, the statements are beyond the scope of the amendment. No changes have been made to the amendment as a result of these comments.

COMMENTS #9-14: The Missouri Association of Pupil Transportation; Doug Kee, North Callaway School District; Missy Hoskins, Fair Grove School District; Stacy Williams, Farmington School District; Keith Henry, Lee’s Summit School District; Shirley Francis, retired transportation director and Missouri Association of Pupil Transportation Secretary; all commented with the concern that the restrooms being removed allows buses that are not as safe as school buses to be used while the convenience and comfortable factors are no longer present on the non-school bus, non-motor coach bus, which is the only reason motor coaches have been allowed.

RESPONSE: The department reviewed the comments and agrees with the commenters’ general statements concerning the safety of school buses. The department carefully considered the comments. No changes have been made to the amendment as a result of these comments.

COMMENT #15: Donnie Fowler, Fowler Bus Company, commented against the expansion of non-motor coach type of buses being used for student transportation.

RESPONSE: The department reviewed and carefully considered Mr. Fowler’s comment against the expansion of non-motor coach type buses. No changes have been made to the amendment as a result of this comment.

COMMENT #16: Rick Smith, Jackson R-II School District, commented that the expansion to allow for any vehicle other than a yellow bus with a “professional” school bus driver would be moving safety in the wrong direction.

RESPONSE: The department reviewed and carefully considered Mr. Smith’s comment regarding the professionalism of school bus drivers. No changes have been made to the amendment as a result of this comment.

COMMENT #17: Larry Bechtel, DS Bus Lines, commented that he understands the use of motor coaches for comfort but is against the use of other charter buses with lower inspection criteria and driver qualifications.

RESPONSE: The department reviewed and carefully considered Mr. Bechtel’s comment against the use of other charter buses. No changes have been made to the amendment as a result of this comment.

COMMENT #18: Tony Hatfield, School of the Osage, commented that the rule change to allow additional buses other than school buses does not help with student safety.

RESPONSE: The department reviewed and carefully considered Mr. Hatfield's comment regarding the addition of other buses not helping with student safety. No changes have been made to the amendment as a result of this comment.

**ORDER OF RULEMAKING**

By the authority vested in the State Board of Registration for the Healing Arts under section 334.125, RSMo 2016, and section 338.665, RSMo Supp. 2019, the board adopts a rule as follows:

20 CSR 2150-5.029 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on April 15, 2020 (45 MoReg 548-549). Those sections with changes are reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The board received two (2) letters of comment on the proposed rule.

COMMENT #1: The Missouri Pharmacy Association (MPA) and G.L.O. & Associates (G.L.O.) submitted comments requesting the board amend subsection (3)(A) to clarify pharmacists are required to conduct patient screening based on “generally accepted” clinical guidelines to identify appropriate patients for treatment.

RESPONSE AND EXPLANATION OF CHANGE: The comments reflect the board’s intent and the rule has been modified as requested.

COMMENT #2: MPA and G.L.O. submitted comments requesting the board amend subsection (3)(B) to clarify pharmacists may provide a prescription for a nicotine replacement therapy product to the patient, or transmit a prescription “for that patient” to a pharmacy for dispensing.

RESPONSE AND EXPLANATION OF CHANGE: The comments reflect the board’s intent; the rule has been modified as requested.

COMMENT #3: MPA submitted comments requesting the board amend section (4) to eliminate the requirement that patient medical records required by the rule must be separately maintained from other patient records. MPA expressed concerns the requirement may be costly for pharmacies or burdensome for current pharmacy software systems.

RESPONSE AND EXPLANATION OF CHANGE: The board agrees and has modified the rule as requested.

COMMENT #4: MPA and G.L.O. submitted comments requesting the board amend paragraph (4)(A)2. to require pharmacists document the time a patient was seen. The commenters indicated the change may assist with third-party billing.

RESPONSE: The board is concerned mandatory documentation of the time of a patient visit may be burdensome for pharmacies and current software systems. Additional licensee input would be appropriate prior to adopting the recommendation. The board notes licensees may voluntarily document the patient visitation time, if

desired. No changes have been made in response to this comment.

COMMENT #5: MPA and G.L.O. submitted comments requesting the board amend paragraph (4)(A)3. to require documentation of the patient’s primary care provider “if determined.”

RESPONSE: The suggested addition is ambiguous and may be misconstrued to require additional activities/investigation by the pharmacist. Additionally, the current proposed rule language is consistent with other board rules that require documentation of the primary care provider (e.g., pharmacist immunization/administration). No changes have been made in response to the comments, however, the Board of Pharmacy conveyed that they will educate their licensees on documentation requirements.

COMMENT #6: MPA and G.L.O. submitted comments requesting the board amend paragraph (4)(A)5. to require that pharmacists document any “additional” pertinent patient medical or medication information/history, in lieu of documenting “pertinent medical or medication information/history,” as currently proposed.

RESPONSE: Subsection (4)(A) identifies minimum documentation requirements; pharmacists should use their professional judgment to determine what supplementary patient medical information is needed to properly document patient care. The proposed suggestion is ambiguous and may be misconstrued. The board notes subsection (4)(A) is similar to current statutory/rule requirements for other Missouri healthcare providers. The current language will ensure consistency among healthcare professionals. As a result, no changes have been made in response to the comments.

COMMENT #7: MPA and G.L.O. submitted comments requesting the board amend section (2) to require that pharmacists obtain a certificate of medication therapeutic services (MTS certificate) from the board to prescribe pursuant to section 338.665, RSMo.

RESPONSE: Pursuant to Chapter 536, the requested change constitutes a substantive amendment which cannot be adopted in a final order of rulemaking. The requested change would also require a physician protocol and additional pharmacist training that is not referenced in section 338.665, RSMo. Additional legal review and stakeholder discussion would be appropriate prior to incorporating the suggestion. No changes have been made in response to the comments, however, the board will consider the suggestions during future rule discussions.

**20 CSR 2150-5.029 Pharmacist Authority to Prescribe Pursuant to Section 338.665**

(3) Pharmacist prescribing and patient care activities must be safely and properly performed.

(A) Pharmacists shall collect patient or medical history to allow the pharmacist to properly assess the patient and safely provide patient care. Prior to prescribing, the pharmacist shall use a screening procedure based on generally accepted clinical guidelines to identify appropriate patients for treatment. The pharmacist shall refer high-risk patients or patients with a contraindication to the patient’s primary care provider or an appropriate healthcare provider, as deemed necessary or appropriate.

(B) In addition to this rule, pharmacists shall comply with all applicable provisions of Chapter 338, RSMo, and the rules of the Board of Pharmacy governing prescribing and record-keeping, including, but not limited to, 20 CSR 2220-2.018. Pharmacists may provide a prescription to the patient or transmit a prescription for that patient to a pharmacy for dispensing.

(4) Patient medical records. Prescribing pharmacists shall maintain an adequate and complete patient medical record for each patient that documents the care provided. Patient medical records must be individually retrievable.

**IN ADDITION**

**NOTICE OF SUSPENSION OF RULE**

**1 CSR 20-5.020 Leaves of Absence**

*ACTION TAKEN: This NOTICE OF SUSPENSION OF RULE suspends those provisions of 1 CSR 20-5.020 that would prevent a state employee participating in a shared work plan under section 288.500, RSMo, from receiving the full annual leave and sick leave semi-monthly accruals that they would otherwise receive for full-time employment. The shared work program requires participants to receive fringe benefits “under the same terms and conditions as though the normal weekly hours of work had not been reduced...” section 288.500.4(6), RSMo. The specific rule language to be suspended only with respect to full-time employees participating in an approved shared work plan, who would earn full-time leave accruals but for their participation in the shared work plan, is as follows:*

*1) 1 CSR 20-5.020(1)(A)1.: “...in which they are in pay status for eighty (80) or more hours, ...”*

*2) 1 CSR 20-5.020(1)(A)2.A.: “For employees paid on a semi-monthly pay period annual leave will be credited at the rate of one-half (1/2) the full-time accrual rate for semi-months in which the employee is in pay status from forty (40) hours and prorated for all hours in which they are in pay status from forty to eighty (40-80) hours;” and*

*3) 1 CSR 20-5.020(2)(B)1.: “...in which they are in pay status for eighty (80) or more hours. For employees paid on a semi-monthly pay period, sick leave will be credited at the rate of one-half (1/2) the full-time accrual rate for semi-months in which the employee is in pay status for forty (40) hours and prorated for all hours in which they are in pay status from forty to eighty (40-80) hours.”*
